Globalization

Disruption

The Unexpected

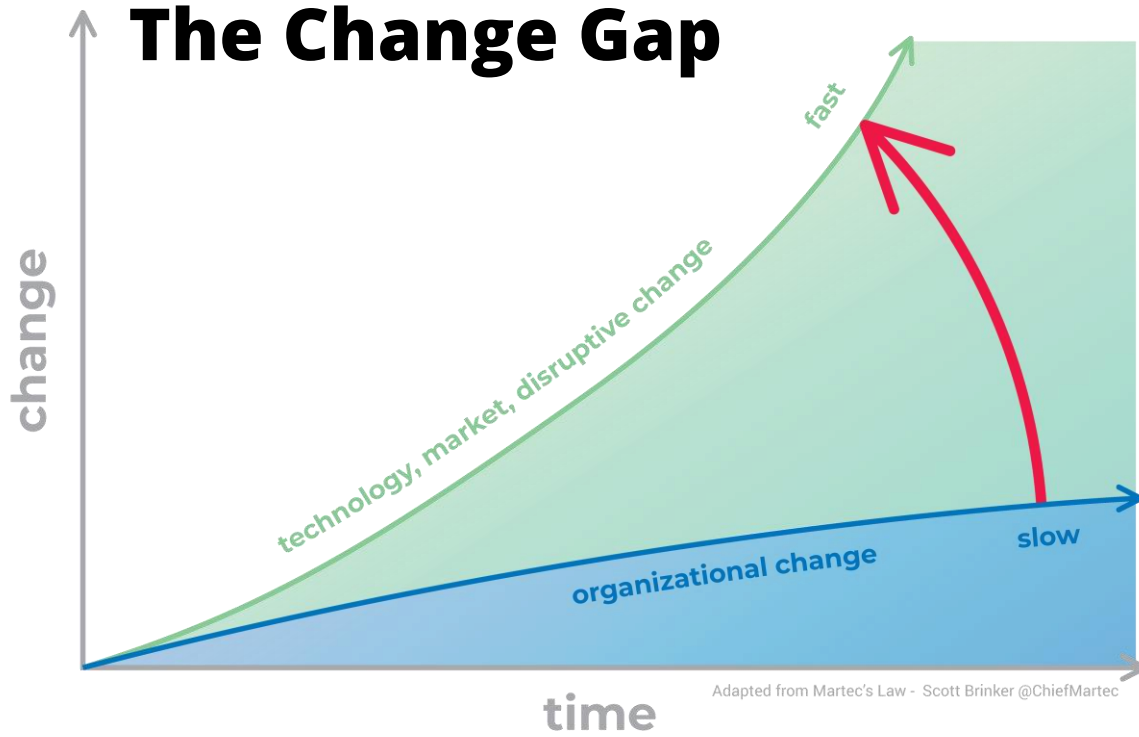

Google Chief Engineer Ray  
Kurzweil:

"20,000 years of progress  
will be crammed into the  
next 100 years"

# The Change Gap

# **Change can be an opportunity or an obstacle**

57% of organizations are unable to  
"quickly turn challenges into  
opportunities"

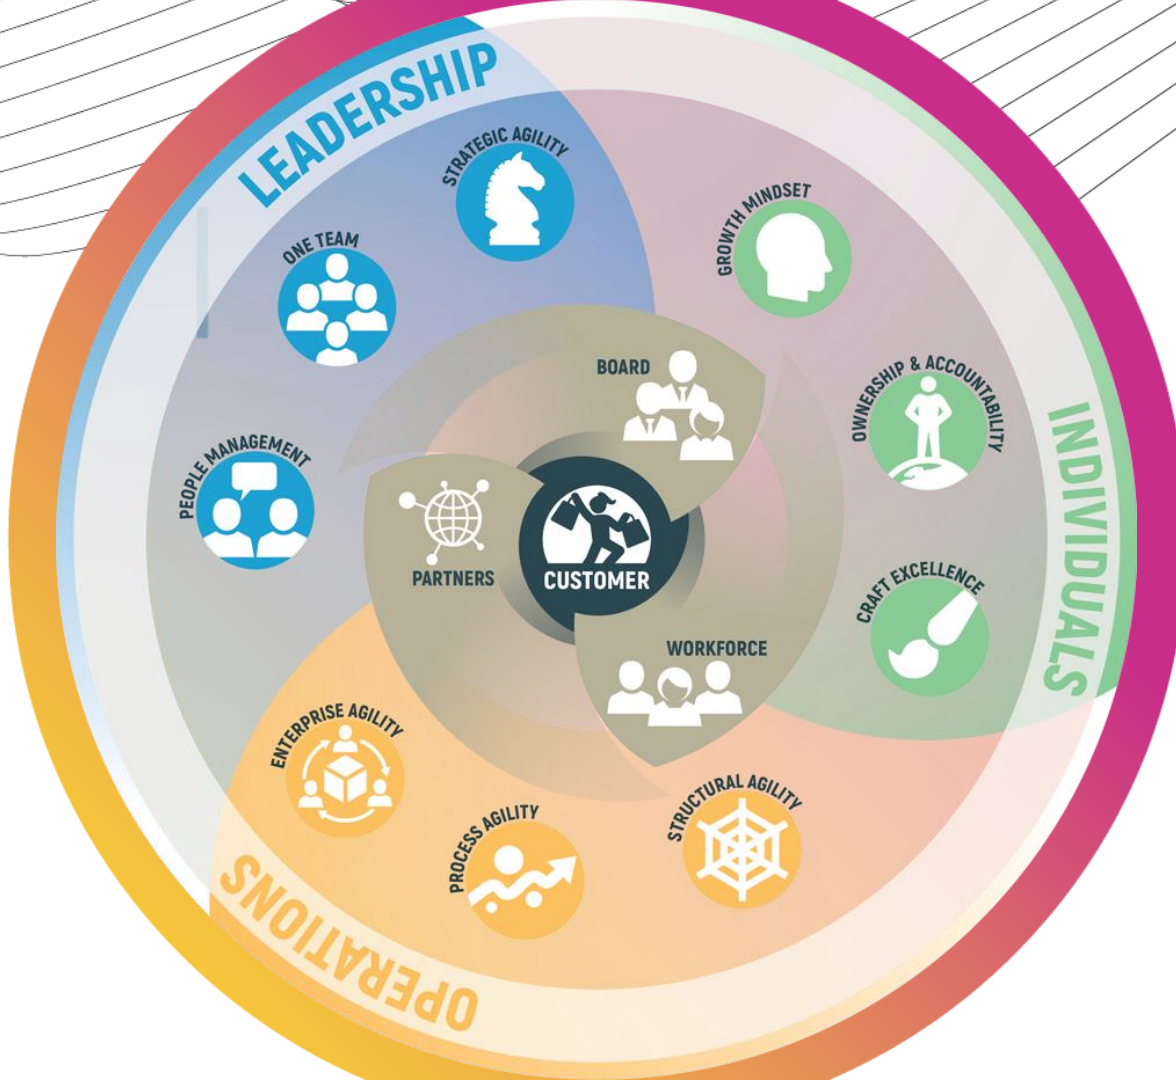

2018 HRCI survey of HR professionals

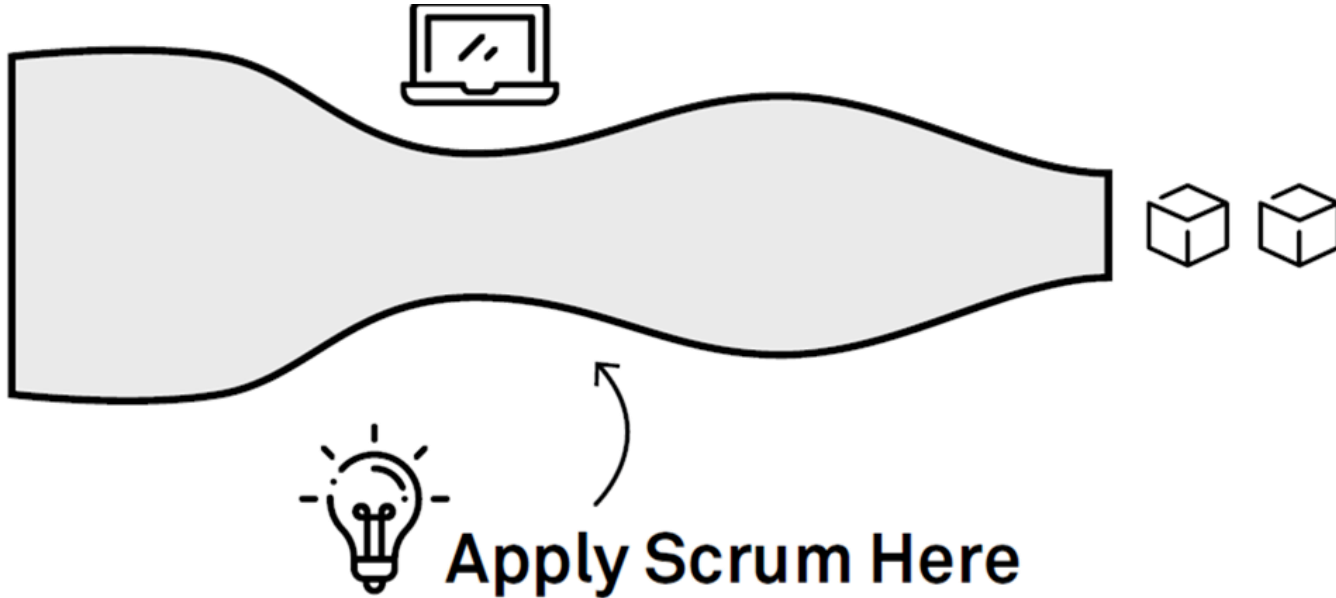

# BUSINESS AGILITY

Is a set of organizational capabilities, behaviors and ways of working that affords your business the freedom & flexibility to achieve its purpose.

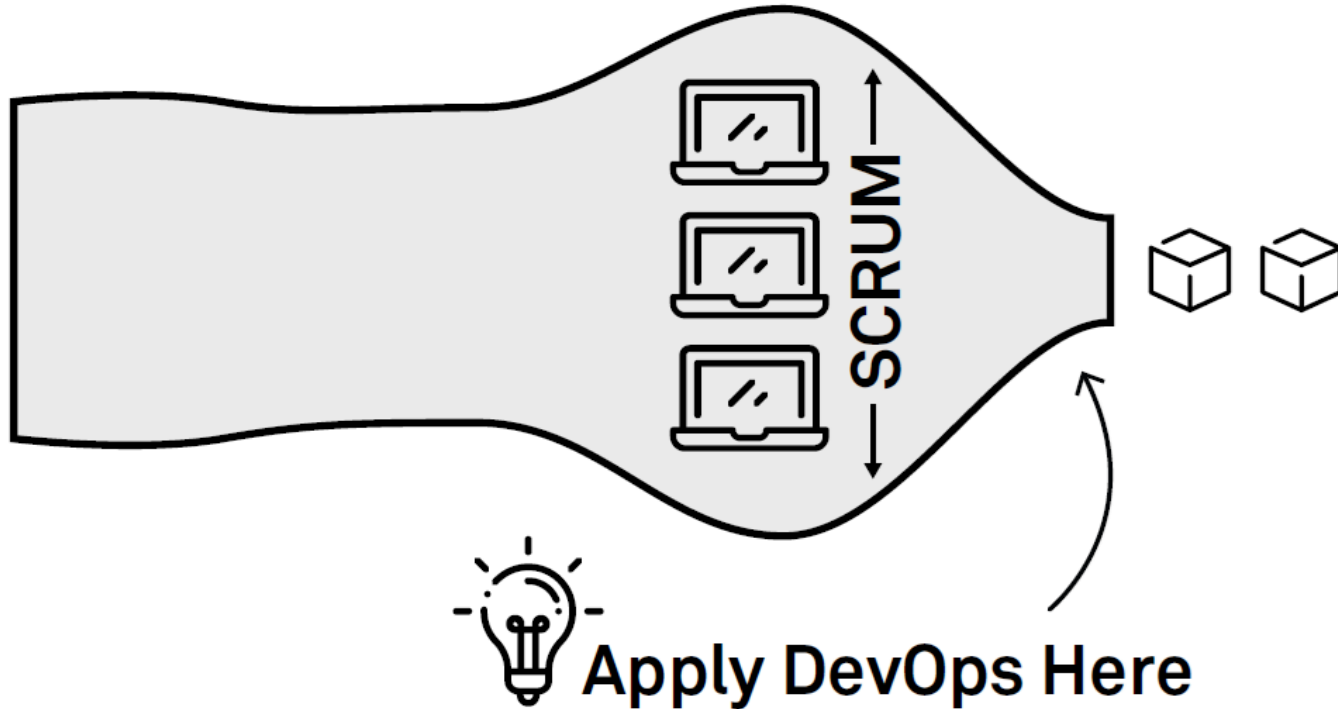

No matter what the future brings.

# Theory of (Agile) Constraints

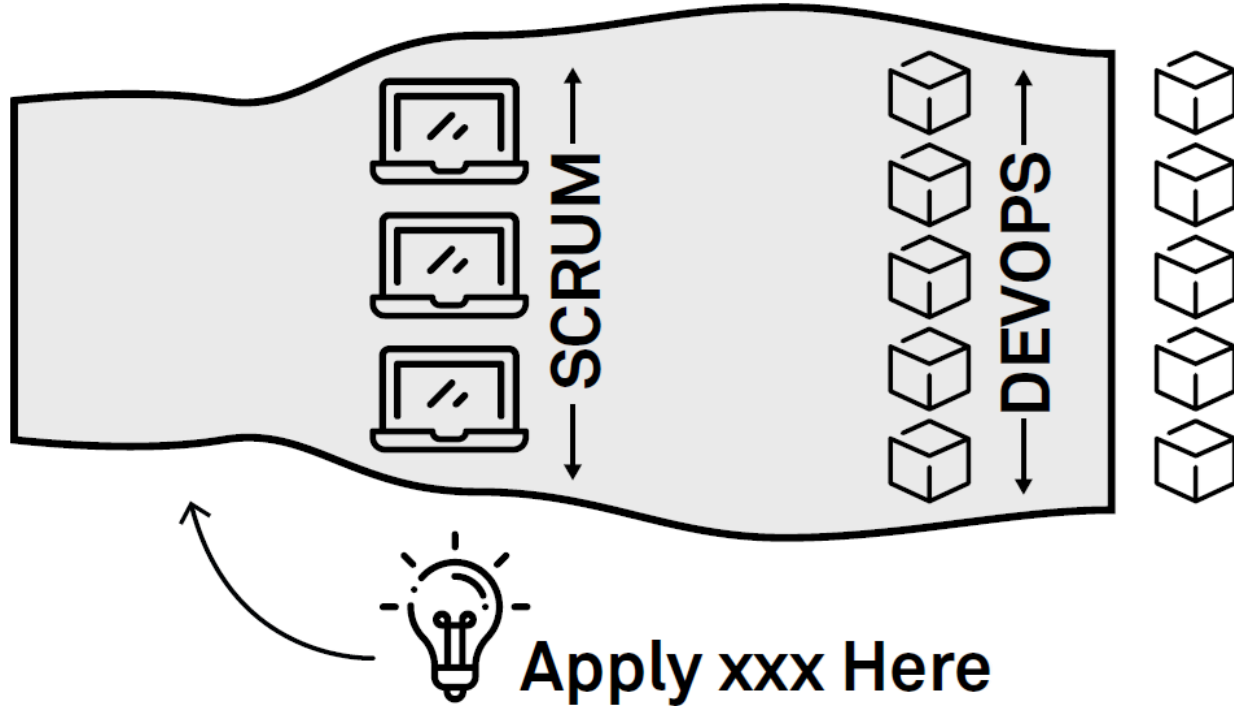

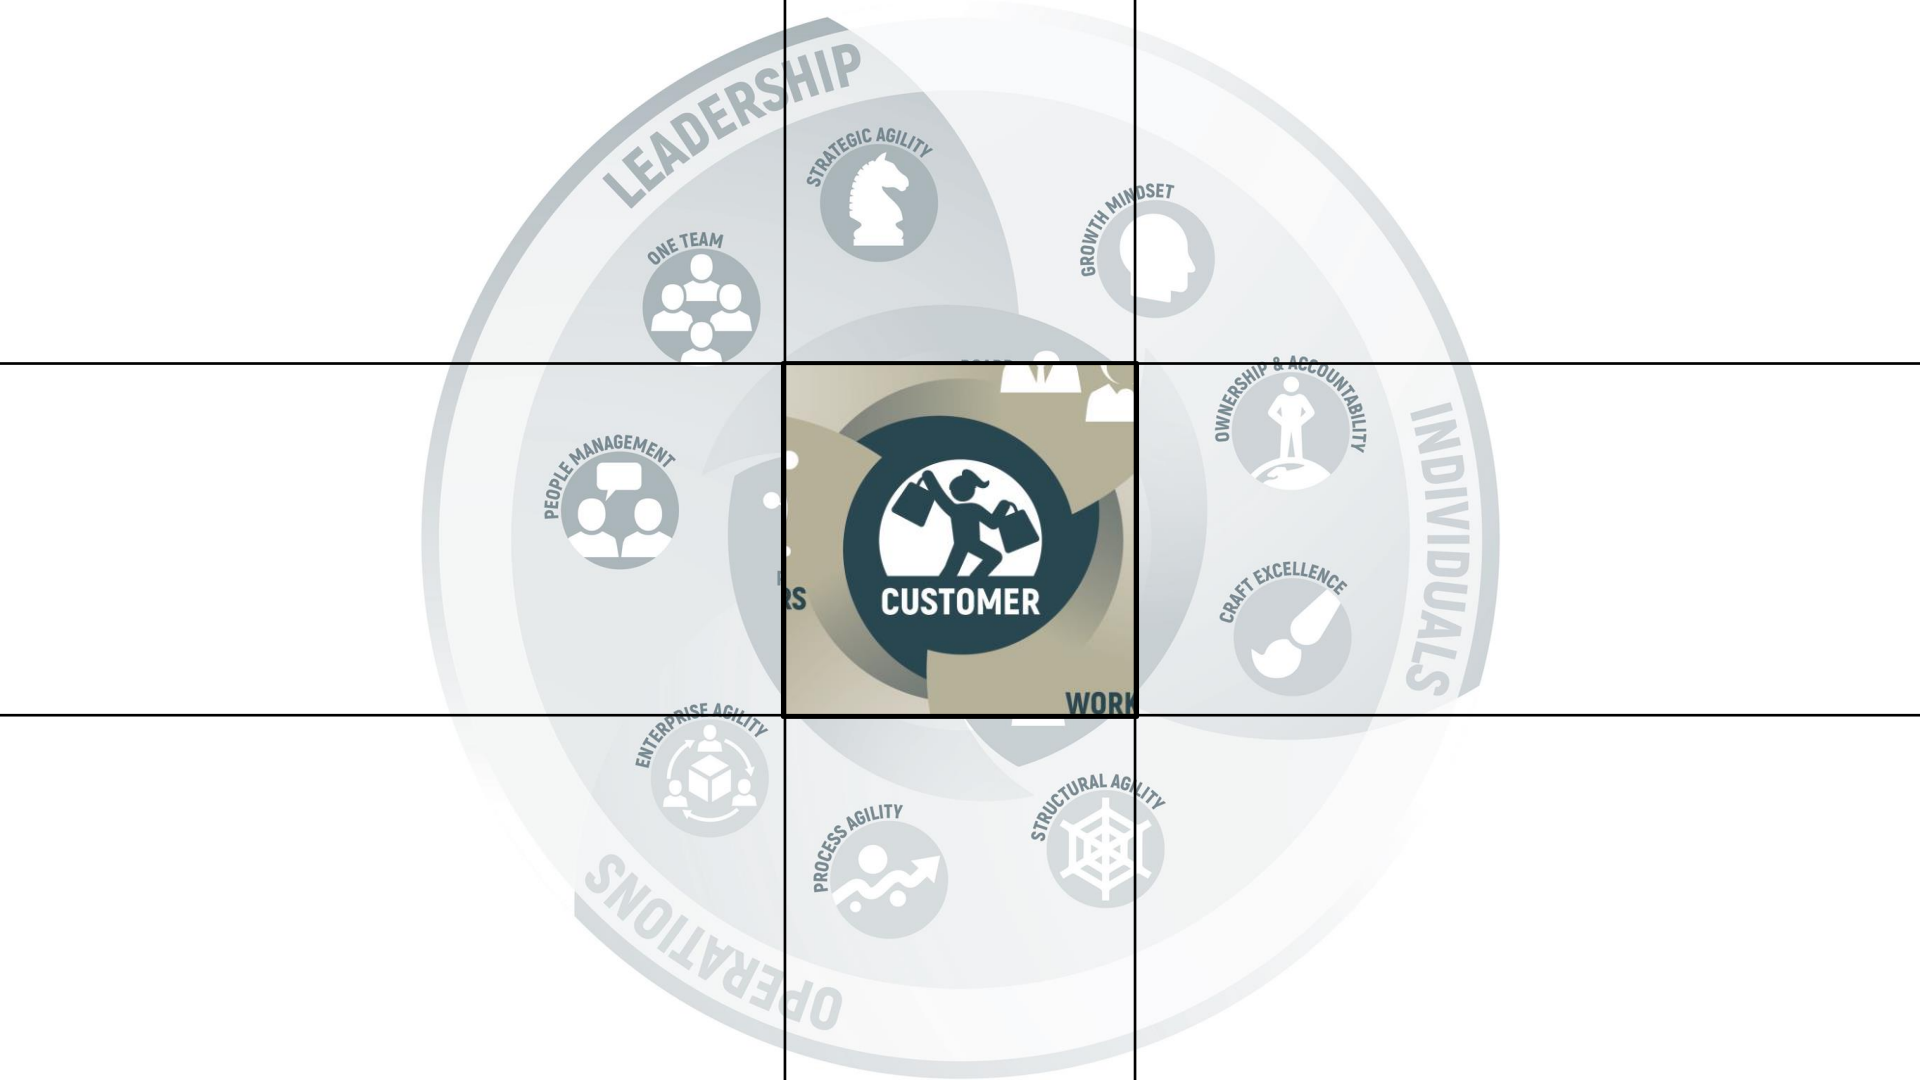

# Theory of (Agile) Constraints
